Presentation Checklist

Use the checklist below as you review your peers' presentation. Give helpful, constructive feedback. Include specific examples of what worked well and specific suggestions for improvement.

Names of group members whose work you are reviewing: _____

_____

	Yes/No	What worked well?	Suggestions for improvement
There is evidence of good planning; the story flows well.			
The text and/or narration were well written, included important information, and stuck to the key points of the story.			
The images were well chosen and coordinated well with the content of the story.			
The presentation was well done, and the images and narration worked together to communicate the purpose of the story.
