How much biodiversity can you find in one schoolyard?

For the complete video with media resources, visit: http://www.nationalgeographic.org/media/schoolyard-bioblitz/

What is a schoolyard bioblitz, and how can you plan one for your school, class, or afterschool program? Hear from teachers, students, and volunteers on their experience of discovering biodiversity through a bioblitz organized in their suburban schoolyard.

This video was filmed on location at a Verizon Innovative Learning School.
