## Energy Crisis Briefing Discussion Prompts

To prepare for a class discussion, jot down your thoughts about the questions below.

1. How and from where did the United States get its energy in the 1970s?

---

---

2. How did this lead to the energy crisis?

---

---

3. How did the crisis affect people in the United States?

---

---

4. How do you think you would have dealt with the situation?

---

---

5. What would you have wanted from your government at that time?

---

---

6. How did President Ford propose to prevent such a crisis in the future?

---

---

7. How would the Energy Policy and Conservation Act of 1975 help to prevent such a crisis?

---

---
