School Site Cleanup Data Table

After you have totaled the marine debris items by category for your entire class, use the following data table to record and compare your debris items, categories, and percentages to the Marine Debris International Coastal Cleanup 2010 Report (Top Ten Marine Debris Items Worldwide).

Rank (worldwide)	Debris Item	Number of Debris Items (worldwide)	Percentage of Total Debris Items (worldwide)	Rank (School site)	Number of Debris Items (School site)	Percentage of Total Debris Items (School site)
	Cigarettes/cigarette filters					
	Bags (plastic)					
	Food wrappers/containers					
	Caps/lids					
	Beverage bottles (plastic)					
	Cups, plates, forks, knives, spoons					
	Beverage bottles (glass)					
	Beverage cans					
	Straws, stirrers					
	Bags (paper)					
	Total debris items worldwide					
	Percentage of total debris items worldwide
