## Resources Poetry

Listen for a natural resource as your teacher reads aloud each verse in the poem “Where Does it Come From?” Raise your hand each time you hear one.

### ***Where Does it Come From?***

*Is your favorite dish  
made from a certain fish?*

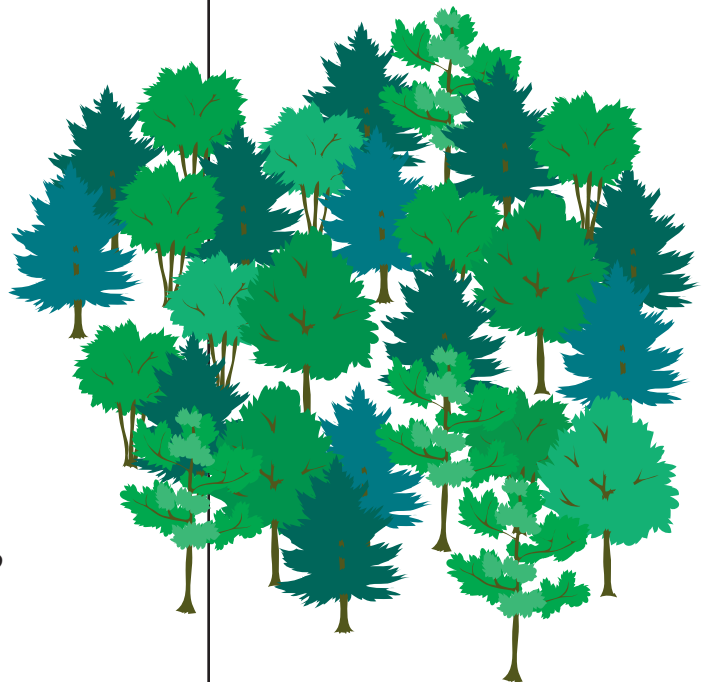

*Was your favorite chair  
made from a tree with care?*

*Did the paint on that brush  
come from oil that gushed?*

*Does the penny in your hand  
come from copper in the land?*

*Did the ring that’s so fine  
come from gold in a mine?*

*Does the heat that makes things hot  
come from coal or not?*
