

Saints and Strangers Graphic Organizer

Consider the question: Why did the Saints and Strangers immigrate to North America? Draw one Push & Pull Factor Card at a time. Decide whether each card is a push or pull factor that applies to the Saints, the Strangers, or both. On the card, provide evidence from the readings to support your decision. Place the card in the corresponding box below. There may be cards that do not apply to either group.

	Push from Europe	Pull to North America
Saints		
Both		
Strangers
