Debate Rubric

Use this rubric to assess students' performance in the debate.

Criteria	Developing	Approaching	Met
The stakeholder position is presented effectively.	The stakeholder's position is not presented effectively due to factors such as lack of organization or clarity.	The stakeholder's position is presented somewhat effectively; the position can be understood but could be better organized.	The stakeholder's position is clearly and effectively presented; it is well organized, clearly worded, and unambiguous.
Questions are answered from the viewpoint of the stakeholder.	Questions are rarely answered from the viewpoint of the stakeholder.	Questions are sometimes answered from the viewpoint of the stakeholder.	Questions are always answered from the viewpoint of the stakeholder.
Information is given with appropriate use of notes, eye contact, clarity, and volume.	Notes are relied upon too heavily, little eye contact is made, and/or the clarity and volume of voice is inappropriate.	Notes are sometimes relied upon too heavily; appropriate eye contact is sometimes maintained; the clarity and volume of voice is sometimes appropriate.	Notes are used minimally; appropriate eye contact and clarity and volume of voice are used throughout the presentation.
