Seasons Change

Dancing Dragons 10  Flamingo Bob 16
An arctic fox is born in spring. Its fur is dark. Its fur will change.
Summer is here.
Days are warm.
Flowers bloom.
The fox has brown fur.
Its fur is thin.
Thin fur helps it stay cool.
Now it is fall.
The days change.
They get cooler.
The fox has brown and white fur. Its white fur is thick. Thick fur helps it stay warm.
Winter is here.
Days are cold.
Snow covers the ground.
The foxes have white fur. Their fur helps them hide. Spring will come again soon.
Dancing Dragons

It is Lunar New Year in China! People celebrate in many ways.
Many children bang big drums. They sing songs.
Some people dress up as lions. They dance in the street.
People watch fireworks. They light lanterns at night, too.
Happy New Year!
Flamingo Bob
Meet Bob.
Bob is a flamingo.

Bob lives here.
One day, Bob flew into a window. He was hurt. He could not go back to the wild.
Now, Bob lives with Odette. Odette helps animals. She is an animal doctor.
Bob has a job, too. He goes to schools with Odette. Kids get to see Bob up close.

Fast Fact: Bob is tame. Most flamingos are wild.
Odette talks about Bob. She talks about wild flamingos, too. Dirty beaches can harm flamingos.
Kids learn how they can help. They can keep beaches clean. This will help flamingos.
Bob and Odette are a good team!
Don’t you agree?
The Arctic

The Arctic is one of the coldest places on Earth. Arctic animals can survive in this cold place. Many are white or turn white in winter. They blend in with snow and ice.
