

Closing the Loop: Video Challenge Audience Feedback Form

Presenting Group:

My Name and Role in the Community:

*As an audience member, you have an important task.
Please give the presenting students the gift of your thoughtful feedback.*

The videos were required to include the following:

- **Explanation of the Problem:** Introduce lithium-ion batteries and describe the negative impacts of the linear economy.
- **Explanation of the Solution:** Introduce the benefits and key principles of a circular economy and communicate how their application can help to minimize the impacts of producing and discarding devices that use lithium-ion batteries.
- **Science Communication:** Appropriate, accurate, and appealing to a particular target audience.

1. What did the group do successfully? What were some strengths of their video challenge?

2. What is one way the group could improve their video challenge?

3. What is one new idea you learned from this group?

4. Any other feedback you would like to give this group?
