CARBON CYCLE

COMPLETE THE CYCLE

1. What process is this?  
   Volcanism

2. What reservoir is this?  
   Atmosphere

3. What two processes are these?  
   Photosynthesis & Respiration

4. What process is this?  
   Sedimentation

5. What reservoir is this?  
   Biosphere

6. What process is this?  
   Decay & Decomposition

7. What reservoir is this?  
   Lithosphere
