

## Ocean Plastics Pollution Solutions Scoring Rubric

- In the first row, fill in the categories your publishing team chose in your *Ocean Plastics Pollution Solutions Contest Criteria* handout.
- In the first column, fill in the names of the five solutions your team will compare.
- Assign each solution a score in every category and explain why you chose that score.
- Add up the total score in each column to determine the winner!

Solution Name	Category 1:	Category 2:	Category 3:	Total Score
1.				
2.				
3.				

4.				
5.
