

Policymaker Analysis

Name

Date

Briefly describe your proposed policy:

Level of Organization	Who controls decision-making?	How would you get YOUR proposal in front of the decision-makers?	How would people be affected by your proposed policy?	Does this make sense for your policy proposal?
State—all of the people in the state in which you reside.				
City/Town—all of the people within the city limits in which you reside.				
School District—all of the students, faculty, and staff in your school district				
School—all of the students, faculty, and staff in your school.				
Classroom—all of the students, teachers, and staff in your classroom.
