

# Student Reflection

\_\_\_\_\_  
Name

\_\_\_\_\_  
Date

**Directions:** Reflect back on the activities within this unit and respond to the prompts below.

The most important thing I learned during this unit was:

---

---

---

---

During this unit, I was most proud of:

---

---

---

---

If I could redo this project, I would:

---

---

---

---

During the gallery walk, I noticed:

---

---

---

---

I rate my unit participation, effort, and final product as:

	<b>Exceeds Expectations</b>	<b>Meets Expectations</b>	<b>Approaching Expectations</b>	<b>Incomplete/ Expectations Unmet</b>
Infographic demonstrates student's understanding of the consequences of increased human use of natural spaces and the responsibilities of citizens in protecting natural areas.	Infographic clearly addresses citizens' responsibilities in maintaining and protecting natural outdoor areas.	Infographic mostly addresses citizens' responsibilities in maintaining and/or protecting natural outdoor areas.	Infographic somewhat addresses citizens' responsibilities in maintaining and protecting natural outdoor areas, but may demonstrate some misconceptions.	Infographic does not address citizens' responsibilities in maintaining and protecting natural outdoor areas.
Infographic text and graphics are appropriate to the selected audience, purpose, and topic.	Audience, purpose, and topic are clearly identifiable and thoroughly addressed through the text and graphics of the infographic.	Audience, purpose, and topic are identifiable and addressed through the text and graphics of the infographic.	Audience, purpose, and topic are somewhat identifiable and addressed through the text or graphics of the infographic.	Audience, purpose, and topic are unclear.
Infographic demonstrates attention to visual appeal through carefully selected graphics, color, and text elements.	Infographic is visually appealing with clearly and purposefully planned graphics and utilizes colors, graphics, font styles and sizes, and word choice.	Infographic is visually appealing, follows the plan, and utilizes colors, graphics, font styles and sizes, and word choice to aid in its readability.	Infographic is lacking visual appeal, but has attempted to address this issue with a variety of colors, graphics, front styles and size.	Infographic lacks visual appeal and demonstrates a general lack of attention and effort.
Infographic includes all required elements: a title and four to six main ideas connected to a common theme with well-aligned graphics.	All required elements are visible and clearly connected to the theme, including a creative, engaging title.	All required elements are visible, aligned with the theme and the infographic has a creative title.	Most of the required elements are visible and somewhat aligned with a connecting theme.	The infographic is missing many of the required elements.
