

Coral Reef Ecosystem: Illustration Key

1. elkhorn coral
2. green sea turtle
3. zooplankton
4. phytoplankton
5. blue-green algae
6. blacktip reef shark
7. queen angelfish
8. blue runner
9. mangrove snapper
10. bar jack
11. plate coral
12. black grouper
13. pillar coral
14. yellow-tail snapper
15. purple sea fan
16. flaming tongue snail
17. polychaete worm
18. Atlantic blue tang
19. sergeant major
20. stoplight parrotfish
21. Caribbean lobster
22. nurse shark
23. brown algae
24. brain coral
25. purple sea sponge
26. blue-striped grunt
27. zooxanthellae
28. coral polyps
29. staghorn coral
30. bicolor damselfish
31. red-banded shrimp
32. queen conch
33. cushion sea star
34. detritus
35. southern stingray
36. seagrass
37. yellow-head jawfish
38. corkscrew anemone
39. orange sea sponge
